Notes & Details

Add a modern twist to your restaurant with this Lancaster Table & Seating mid-century black chair with espresso wood seat and backrest. This chair features a stylish mid-century design that adds a modern look to any establishment. Its curved rectangular back cradles the spine while the built-in 11" high footrest provides excellent leg support. Its wood seat and backrest are easy to clean and add a warm, natural touch to any setting.

Boasting a durable steel frame, this chair is built to withstand daily use and can hold up to 300 lb. To protect your floors and keep unwanted noise to a minimum, this chair includes plastic glides on the feet. Plus, it ships assembled for immediate placement and use. Complete your restaurant or bar's themed look with this Lancaster Table & Seating chair.
