Notes & Details

Add a modern twist to your restaurant with this Lancaster Table & Seating mid-century black chair with vintage wood seat and backrest. This chair features a stylish mid-century design that adds a modern look to any establishment. Its curved rectangular back cradles the spine while the built-in 11" high footrest provides excellent leg support. Its wood seat and backrest are easy to clean and add a warm, natural touch to any setting.

Boasting a durable steel frame, this chair is built to withstand daily use and can hold up to 300 lb. To protect your floors and keep unwanted noise to a minimum, this chair includes plastic glides on the feet. To save you money, this chair is shipped with the seat and backrest detached. This chair requires light assembly by screwing in the seat and backrest to the frame. Complete your restaurant or bar's themed look with this Lancaster Table & Seating chair.
