Notes & Details

Choose comfortable seating that will complement your decor with this Lancaster Table & Seating Vineyard outdoor cross back bar stool with 1" chardonnay tan linen cushion. This bar stool's cross back and U-shaped underbar combines with its sleek wooden frame to instill a classic look in any location. Plus, since this bar stool's back and seat are contoured, it will provide comfort while maintaining a distinct, rustic appearance. At an ideal height for both bar and raised table seating, this bar stool is a versatile option for indoor or outdoor catered events or any indoor restaurant looking to add a casual feel to their space.

This bar stool's light weight ashwood frame provides unmatched durability in your dining room. It can hold up to 300 lb. of weight thanks to the sturdy frame. Additionally, the smooth surface on this bar stool provides a natural wood feel, while the whiskey brown finish offers a stylish look. This bar stool also features a cross back that's contoured to provide extra support to your customers' upper backs. Each leg boasts a floor glide to protect floors from scratches and scuffs while offering improved traction on slick surfaces and damage protection to the chair feet. At the end of the night or conclusion of your event, its light weight, stackable design allows for easy moveability, compact storage, and efficient transportation. The wood seat, back, and legs are easy to clean and maintain, and they offer style and convenience in any establishment! Simply use a damp cloth with mild soap to remove any dirt or spills. This stool is perfect for commercial use, and since it is fully assembled, you can put it to use right away.

The included cushion features a 1" thick polyurethane sponge interior to ensure that all guests are seated comfortably at any event. The elegant chardonnay tan color enhances your event's decor, complementing the chair's appearance. At the same time, the linen cover can be machine washed for convenience, and the entire cushion can be used in indoor or outdoor seating applications. It is designed with ties to hold the cushion in place on the chair it's attached to. A zippered back allows the padding to be removed for machine washing of the cover, ensuring easy removal of stains, spots, and dirt.
