Notes & Details

Add a unique and modern twist to your restaurant with this Lancaster Table & Seating mid-century 30" x 30" bar height butcher block table with mahogany finish. Boasting a sturdy black table base made of powder-coated steel, this table is sure to withstand heavy use. The butcher block top is made from beech, birch, pine, ash, and oak planks and features an attractive mahogany finish for a vibrant, rich look. This bar-height table comfortably seats 2-4 people and looks great with a variety of different barstools for versatility you'll appreciate.

This durable table top easily holds up to spills and daily wear and boasts a 2" thick solid wood border along the edge for a clean look. While this table offers a thick, heavy appearance, it's designed to be light weight and easy to move, giving you the best of both worlds. The table's base features a wide trestle design to prevent wobbling while each foot includes a rubber glide to avoid damage to your floors. Better yet, the glides are adjustable for easy leveling at any time. Simply loosen the glide to increase height, or tighten the glide to lower the height. For a mid-century look your guests will love paired with durability you can trust, choose this butcher block table for your restaurant, cafe, or bar.
