Notes & Details

This Lancaster Table & Seating black contoured injection-molded folding chair with charcoal frame is a great addition to any catered event! Its high-impact, injection-molded polyethylene seat and back won't crack, chip, or peel, ensuring that its attractive, professional appearance will last throughout years of service. The seat and back are also contoured to provide a natural, comfortable fit, even during long periods of sitting.

Thanks to its durable construction, this chair can be used both indoors and outdoors. It is versatile enough for both casual and high-end events, making it an economical choice for restaurants and catering businesses. Its heavy-duty powder-coated steel frame boasts a generous 250 lb. weight capacity. Plus, each foot includes a rubber cap to protect floors from scratches and scuffs. After your event is over, this light weight chair folds up for easy transportation and compact storage. Streamline your setup and cleanup processes with this Lancaster Table & Seating folding chair!
