Notes & Details

Perfect for both indoor and outdoor use, this 30" x 60" heavy-duty plastic table from Lancaster Table & Seating provides exceptional versatility at a price that's hard to beat! Thanks to a high-impact polyethylene construction, this table will not crack, chip, or peel as a result of routine use. It is stronger and more durable than wood, and easy to clean as well!

This table is a fantastic choice at any number of catered events in virtually any setting, such as dining rooms, kitchens, offices, conference rooms, restaurants, banquet halls, and more. The sturdy powder-coated steel frame boasts 19 gauge steel legs and a 1 3/4" thick granite-colored top for a table that is as durable as it is attractive. Perfect for large gatherings or parties, the table easily folds up for a compact, lightweight asset that is a breeze to transport and store!
