Notes & Details

This Lancaster Table & Seating 30" x 72" granite white heavy-duty blow molded 27 1/2"-39" adjustable height plastic folding table is an ideal addition to any catered event! Its high-impact, blow molded polyethylene top will not crack, chip, or peel, so it can be used in almost any setting. Not only is it easy to clean, it is also stronger and lighter than comparable wooden folding tables, ensuring long-lasting use and quick, effortless transportation.

Thanks to its construction and adjustable height, this table can be used both indoors and outdoors, and can be set at various heights to suit your specific needs. Its lowest height allows it to be used as an activity table at day care facilities and grade schools, while its highest position allows for use as a standing desk to reduce back aches and pains. When set to a standard height, it can be used as a traditional table for adults. With its superior versatility, this table is an economical choice for any business.

This table's heavy-duty powder-coated steel frame is built to support anything from heavy dishes to laptops, backpacks, briefcases, and large stacks of paperwork. Plus, each foot boasts a rubber cap to protect floors from scratches and scuffs while offering improved traction on slick surfaces. The folding legs also bend at multiple joints for compact storage. No matter how you're using it, this convenient Lancaster Table & Seating folding table is sure to be an excellent investment!
