Notes & Details

Allow your guests to enjoy the breezy summer weather with this Lancaster Table & Seating 32" x 48" sea foam powder-coated aluminum dining height outdoor table with umbrella hole. Designed specifically for outdoor use, this table makes an excellent addition to restaurant and bar patios and other outdoor entertainment areas. It's lightweight with a pedestal base and adjustable feet so that you can easily move it around your outdoor setting for the best possible view. Plus, it features a built-in umbrella hole so you can pair the table with a compatible umbrella (sold separately) to add shade at your restaurant or cafe. Your guests will love the opportunity to enjoy the temperate weather with the convenience and comfort of this table!

This table is made of powder-coated aluminum that's durable enough to resist weather and corrosion. Its smooth surface features a bright and lively sea foam color that's sure to match your decor and complement the summer skies and clouds! Thanks to its UV-resistant finish, the color won't fade over time even when left in the sun for longer periods. For your convenience, this table is easy to assemble with its included hardware so you can quickly set it up in its proper space and let your guests enjoy.
