Notes & Details

Seat your guests in comfort and style with this Lancaster Table & Seating Allegro beige stackable resin arm chair. Its polypropylene construction makes it an incredibly durable, long-lasting addition to any establishment. Plus, this chair boasts a seamless design, and its matte finish material is easy to clean and maintain. This chair's ergonomic backrest includes slats to add flexibility and ensure that guests stay comfortable, while armrests ensure maximum relaxation.

You can use this chair indoors or outdoors at your establishment. It features non-slip feet for added security and to keep it upright. It's also lightweight so you can easily move it around your outdoor setting for the best possible view. Your guests will love the opportunity to enjoy the temperate weather with the convenience and comfort of this chair! This chair has a weight capacity of up to 300 lb. Add this versatile, modern chair to your dining area or patio to create the ideal inviting environment for your guests.
