Notes & Details

Enjoy the outdoors under the pleasant shade of this Lancaster Table & Seating 10' sand hydraulic lift silver aluminum twin cantilever umbrella! This unit features (2) 10' umbrella canopies, making it perfect for shading larger areas from the sun. Expand your outdoor seating with ease and ensure your guests are comfortable and protected thanks to its reliable design. Its easy-to-use twin-arm hydraulic lift makes it easy to open during the day, close after hours or during inclement weather, and store in the off-season. Better yet, its cantilever design provides open, unobstructed use for your guests.

A single vent in these breathable canopies allows air flow to increase stability. The fabric is fade-resistant and has UV50+ sun protection to last for 3-4 years. It's made of water-resistant 260 GSM, solution-dyed acrylic fabric. This twin umbrella also repels dirt and is easy to clean. Plus, its sand color is sure to add a classic look to any space, making it perfect for parties, picnics, or other catering events. This umbrella comes with convenient straps with hook and loop fasteners to keep the umbrella closed when not in use, while its silver powder-coated aluminum frame is built to withstand consistent use in your establishment. Plus, you can prolong the life of your canopies with a compatible umbrella cover (sold separately). Choose this Lancaster Table & Seating umbrella to enhance your outdoor space and keep guests happy and comfortable.
