Notes & Details

Replace your worn or damaged umbrella canopy with this Lancaster Table & Seating 7 1/2' round glacier blue umbrella canopy! This canopy's 7 1/2' span is perfect for shading a table from the sun, while a single vent in this breathable canopy allows air flow to increase stability. It's made of water-resistant 260 GSM, solution-dyed acrylic fabric. The fabric is faderesistant and has UV50+ sun protection to last for 3-4 years. Expand your outdoor seating with ease and ensure your guests are comfortable and protected thanks to its reliable design.

This canopy repels dirt and is easy to clean, while its glacier blue color is sure to add a vibrant look to any space, making it perfect for parties, picnics, or other catering events. It's compatible with select aluminum push lift umbrella frames (sold separately), and it comes with hook and loop straps to keep the umbrella closed for easy storage. Plus, you can prolong the life of your canopy with a compatible umbrella cover (sold separately). Reach for this Lancaster Table & Seating canopy to enhance your outdoor space and keep guests happy and comfortable.
