Notes & Details

Enjoy the outdoors under the pleasant shade of this Lancaster Table & Seating 6’ fossil white push lift steel umbrella! This umbrella’s 6’ span is perfect for shading a table from the sun. Expand your outdoor seating with ease and ensure your guests are comfortable and protected thanks to its reliable design. Its easy-to-use push lift mechanism makes it easy to open during the day, close after hours or during inclement weather, and store in the off-season!

A single vent in this breathable canopy allows air flow to increase stability. The fabric is fade-resistant and has UV50+ sun protection to last for 1-2 years. It’s made of water-resistant 230 GSM, solution-dyed polyester fabric. This umbrella also repels dirt and is easy to clean. Plus, its fossil white color is sure to add a classic look to any space, making it perfect for parties, picnics, or other catering events.

This umbrella features a black, powder-coated steel frame with plastic hubs, built to withstand frequent use in your establishment. Since it’s easy to maneuver, you can conveniently relocate it to anywhere you need shade, making it a versatile choice for a variety of outdoor layouts. The included ties keeps the umbrella closed for easy storage. Its 1 1/2" pole diameter makes it compatible with select umbrella bases (sold separately), and you can prolong the life of your canopy with a compatible umbrella cover (sold separately). Reach for this Lancaster Table & Seating umbrella to enhance your outdoor space and keep guests happy and comfortable.
