Notes & Details

Enhance your outdoor dining area with this Lancaster Table & Seating Virelli standard height outdoor table! Crafted from solid tigerwood with mortise and tenon joints, this table is built to provide long-lasting durability. This table's warm finish adds a touch of natural beauty to your outdoor decor. Better yet, as the table naturally ages, it develops a soft, sun-faded patina over time, providing a unique, silvery gray finish that's sure to dazzle your guests. This table features a water-based varnish that both enhances the look of the wood and protects against harmful UV rays and moisture absorption, ensuring it will hold up in the elements. Designed with style and versatility in mind, this table will elevate any patio or resort space.

Great for indoor or outdoor use, this table is an excellent choice for any business looking to expand their seating options. Its 39 3/8" x 39 3/8" size comfortably seats 2-4 guests. A 2" umbrella hole is built into the center of the table so you can attach an umbrella (sold separately) to keep your guests comfortable on sunny days. This standard height table boasts a 100 lb. weight capacity. To save you money on shipping costs, this table ships unassembled.
