## Notes & Details

Keep your space clean and welcoming with this Lancaster Table & Seating 8 gallon stainless steel half round decorative waste receptacle. Made of durable stainless steel, this unit is built to last. The space-saving half round design fights tightly against walls and blends with any environment. With a classic stainless steel finish, it's sure to look great in any indoor setting.

This unit features an open top for easy waste disposal. Keeping the inside of the receptacle clean is easy. Furthermore, each can includes a bag holder to make for easy bag changes and ensure your liner stays in place during use. Its 8 gallon capacity makes it a great option for any office, lobby, or retail store.
