Notes & Details

Enhance the efficiency and functionality of your outdoor waste management system with this Lancaster Table & Seating 45 gallon heavy-duty round black slatted steel outdoor trash can with rain bonnet lid and door. Crafted from durable 5 mm thick steel slats, and a sturdy steel base, this 45 gallon can is built to withstand heavy use in outdoor environments. The included rigid plastic liner ensures easy waste disposal and maintenance, while the rain bonnet lid keeps trash mostly concealed and helps prevent trash from getting overly wet when it rains. Ideal for parks, municipalities, and schools, this heavy-duty trash can is designed to withstand the rigors of outdoor use and maintain a clean, organized appearance.

Featuring a convenient open lid design with rain cover, this trash can allows for one-handed waste disposal, making it quick and easy for guests or employees to discard trash. The front door on the can opens easily, providing hassle-free access to the plastic liner for efficient bag changes. Plus, a security cable is included to help keep the lid attached to the can to reduce theft and vandalism. With its heavy-duty construction and practical design, this outdoor trash can is a reliable solution for keeping public spaces clean and tidy. It also includes leveling feet to ensure stability on uneven surfaces. Upgrade your waste management system with this durable, functional trash can that is perfect for outdoor use in a variety of settings.
