Notes & Details

Ensure the security of your outdoor trash cans with this Lancaster Table & Seating security cable. Designed to keep lids securely attached to the trash can, this cable kit includes one security cable and the necessary hardware, including two cable clips. The cable easily feeds through the anchor point on both the lid and the can and tightens with the provided hardware, functioning similarly to a zip tie.

Featuring an adjustable and reusable design, this security cable can be used on a variety of can sizes, providing versatility for different outdoor settings. For optimal security, this cable pairs perfectly with the compatible LT&S steel outdoor trash cans (sold separately). Keep your outdoor waste management system organized and secure with the Lancaster Table & Seating security cable for outdoor cans and lids.
