Notes & Details

Provide convenience for your patrons with this Lavex paper towel dispenser. This high-quality dispenser features a sleek titanium finish to complement most restroom interiors and fixtures. It is coated in premium paint to maintain an attractive, high-end appearance, and it features a durable plastic construction made with recycled materials. This unit is easy to install with the included mounting hardware. It features a lock and key to prevent unauthorized access.

This dispenser fits up to 750 C-fold or multifold paper towels up to 3 1/2" wide when folded and 9 1/2" long. It is designed to allow manifold paper towels to continuously feed through the bottom and offer the next sheet for use. This unit has a front viewing window and transparent sides to easily keep track of the paper supply and know when it's time to refill. Great for commercial restrooms and handwashing stations, this reliable dispenser is perfect for quick, convenient paper towel dispensing.
