Notes & Details

Help conceal unattractive waste and promote recycling with this Lavex Pro blue slim rectangular mixed recycling bin lid! This lid allows you to keep unsightly recyclables covered and out of view to promote a clean, professional appearance. Plus, the slot makes it easy to recycle paper, bottles, and cardboard, providing guests with simple and sanitary use.

Made with heavy-duty, durable resin, this lid is designed to withstand the rigors of any fast-paced environment for long-lasting use. It features an unobtrusive blue color and is perfect for both indoor and outdoor use. It's also simple to wipe clean! Simply snap this lid onto a compatible 23 gallon slim waste / recycling bin (sold separately) to help maintain your clean restaurant, school, office, or hotel!
