

Energizer Industrial Lithium AAA Batteries, Triple A Energizer Industrial Lithium Batteries, 24 Pack

ENR LN92.01 INDU ST L ITH DIS PK

Power your industrial and professional devices with Energizer Industrial AAA Lithium Batteries. Construction site, facility maintenance, medical center, business office, classroom: Wherever you work, lithium power keeps you on the job with the longest-lasting professional batteries in high tech devices. Plus, these AAA batteries are 100% leak proof in standard use, giving your work site electronics a long and productive life. They perform in extreme temperatures of -40°F to 140°F. And because they hold their power with up to 20 years of shelf life, you won't have device downtime. Know what else? You get all that in a lithium heavy duty AAA battery that weighs 33% less than an alkaline AAA. So, when work depends on door locks, hand sanitizers, pen flashlights, and more, you can count on the power and protection of Energizer Industrial AAA Lithium Batteries.

Features & Benefits

- 24-pack of Energizer Industrial AAA Lithium Batteries contains six 4-packs sized for easy distribution or use in vending machines
- Power critical work site electronics with the longest-lasting professional AAA batteries in high tech devices
- Get the power you need even in extreme temperatures (-40°F to 140°F) and the reassurance that these lithium batteries are 100% leak proof in standard usage
- Handle whatever work throws at you with AAA batteries that are 33% lighter than alkaline AAA batteries and hold power for up to 20 years in storage
- Keep work devices and workdays running smoothly with reliable, long-lasting power for precision electronics at construction sites and commercial spaces
