

Newcastle NB Series Powered Industrial Carts

With Fixed Lithium Power System

The unmatched versatility and ease-of-use of the NB Series coupled with a lightweight, powerful, lithium power source

The patented NB Series is the workhorse of our mobile powered carts line-up. Available in two widths (24" and 18"), they combine the rugged design that keeps our carts operating on the floor for years with the mobility and flexible configurations that let you transform any legacy process and create measurable efficiencies.

Outstanding benefits:

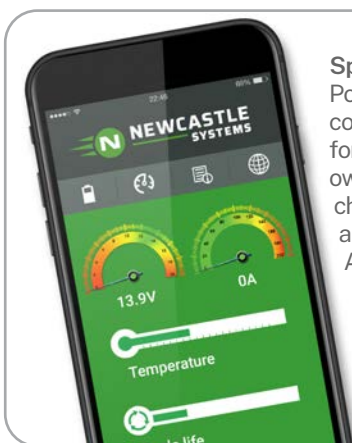

- › The brawniest cart-based power solution available, able to drive a full complement of hardware for 8-12 hours or longer.
- › Ideal for heavy-draw equipment like multiple displays, laser printers and more.
- › Lithium provides lower total-lifespan cost, lighter weight, and 8x+ battery life.
- › At shift's end, simply plug in the cart to be ready for the next day.

Newcastle NB Series Powered Industrial Carts With Fixed Lithium Power System

POWERMAXX LITHIUM

Advanced tech meets brute strength. Get up to a decade of superior performance before needing even a battery change. Significantly lower cost of ownership compared with PowerMaxx SLA.

Special Lithium feature: PowerMaxx Lithium comes bluetooth-enabled for real-time stats via its own app. Data includes charge level, cycle life and more. Available for Android and Apple.

All NB Series Workstations listed below come standard with (one) adjustable height shelf, 5" locking casters, front push handles, integrated power system and power strip, wastebasket and holder.

Height Adjustable:	Shelf adjustable from 20"-40" (508 x 1016 mm)		
Shelf Capacity (1 standard):	High-density polyethylene (HDPE); 75 lbs. (34 kg)		
Casters:	5 x 2" (127 x 50 mm) rubber wheels, front fixed, rear locking swivel		
Color & Construction:	Black powder coat & steel		
Battery Type:	Lithium Iron Phosphate		
Model Configurations:	NB430-LI/NB430-S-LI	NB440-LI	NB480-LI
Typical Devices Powered for 8 Hour Shift:	Laptop/thin client, LCD, industrial thermal printer & scanner	Desktop computer, LCD, industrial thermal printer & scanner	Desktop computer, LCD & laser printer
Continuous Output Power (W):	1000	1000	2000
Surge Power:	2000	2000	4000
Battery Bank (Wh):	960	1600	1600
Charge Time (Hrs):	4.5	7.5	4
Operating Temp. (F)	50-95°		
Weight:	144 lbs. (65 kg) / 139 lbs. (63 kg)	160 lbs. (73 kg)	164 lbs. (75 kg)
Dimensions:	26" L x 24" W x 43" H (660 x 610 x 1092 mm) 26" L x 18" W x 43" H (660 x 457 x 1092 mm) SLIM version
