Notes & Details

Elevate your dishwashing experience with the Noble Warewashing adjustable 10" undercounter dish machine stand! This stand raises the working height of your dish machine by 10", reducing the need for bending and minimizing back strain for your employees. Crafted from durable stainless steel, this stand is built to withstand the demands of a busy commercial kitchen. Designed with 4 sturdy feet, it ensures quality sturdiness and control, providing a stable platform for your dish machine.

Perfect for dish rooms in bustling restaurants and catering businesses, this undercounter dish machine stand enhances efficiency and employee safety. This stand offers additional rack storage space, making it ideal for maximizing organization and efficiency. By raising the dishwasher off the floor, it allows for easier loading and unloading, streamlining the dishwashing process. Experience less strain on your staff and improve overall productivity in your kitchen with this essential accessory.
