

PRODUCT INFORMATION

GRINDER CLEAN

100% NATURAL GRINDER CLEANER

100% NATURAL AND COMPLETELY FOOD SAFE

Cafetto® Grinder Clean is a natural grain-based proprietary formula that does not contain any binders or chemicals during processing.

GLUTEN FREE

Cafetto® Grinder clean is 100% Gluten Free.

CERTIFIED FOR ORGANIC USE

Grinder Clean is registered by Australian Certified Organic (ACO) as an allowed input in organic systems. Grinder Clean is free from phosphate and Genetically Modified Organisms.

NO GRINDER DISASSEMBLY REQUIRED

Simply use Grinder Clean through the grinder for exceptional results without the need to take the grinder apart.

CLEANS AND MAINTAINS

Cleans grinder burrs and casings to improve grinder performance and extend grinder life. Reduces blockages between burrs and internal chambers.

Cafetto® is certified by independent globally recognised industry bodies

HOW TO USE

PRODUCT NAME	TYPE OF UNIT PACK	NET WEIGHT	# OF UNITS PER CASE	PRODUCT CODE / BARCODE	PRODUCT CODE / CARTON
Grinder Clean	450g Jar	5.4kg	12	9345941297609	E29760
	45g Sachet	2kg	12	9345941108677	E10869

WHY CLEAN GRINDERS REGULARLY?

EQUIPMENT LONGEVITY

Cleaning the internal components of a coffee grinder are often overlooked or deemed unnecessary. However, cleaning the internals will remove build up of stale coffee residue, odours and reduce blockages between burrs and chutes.

CLEANING WILL ALSO IMPROVE GRINDER PERFORMANCE AND EXTEND THE WORKING LIFE OF ITS BURRS.

DOES GRINDER CLEAN DAMAGE THE GRINDER BURRS?

Grinding roasted coffee beans will eventually wear the burrs in the grinder. Research indicates though that Cafetto Grinder Clean is less abrasive to the burrs than roasted coffee beans. To prove this, we tested to compare the hardness or breaking force of medium roasted coffee beans to Grinder Clean pellets. The measure of hardness used is the International System of Units measure known as the Newton (N). The results are shown in the chart below.

UNCLEAN GRINDER BURRS
