

Poster Frame Pedestal

Poster Frame Pedestals

Conveniently display posters anywhere with this Frame Pedestal Sign. This sign will help posters command the attention of passing traffic, making sure anything you're displaying will be noticed. The posters are displayed at eye level, increasing the likelihood of it being seen and making them perfect for restaurants, cafes, retail stores, bakeries, pastry shops, bars, offices, libraries, book stores, government buildings, and much more. The frame is made from high quality steel, creating a professional and sleek look. Poster frame pedestals are ideal for many types of poster sizes. These poster frames are lightweight and are easy to transport anywhere, providing a more convenient solution than hanging them on the wall.

Features:

- Posters are not included
- Insert easily through the top of the sign
- Slotted top allows two inserts up to ¾" each
- Optional acrylic holders available
- Double and Triple Tier options available

Wheels available
