Advantages

ProGuard 15 Gallon – #107130
ProGuard 20 Gallon – #107131
28" Front Mount Squeegee – #107185 (optional)

- Powerful 2 stage bypass vacuum motor can efficiently handle the toughest wet or dry worksite cleanup tasks and replace the endless mop/bucket tasks.
- Unique variable wheel pattern offers the most maneuverable wet/dry vacuum on the market for increased productivity, plus a more traditional wheel pattern for ease of transportation and mobility over stairs and curbs.
- Ergonomic cart system allows for easy mobility and unit balance.
- Durable construction protects internal components and includes ProTeam's exclusive lifetime warranty on molded tank and body parts.
- Ease of cleaning and filter maintenance offers a low cost of ownership and longer durability.
- Fast and easy liquid debris removal is accomplished from either the tip-and-pour spout or the convenient drain hose.
- Exclusive Qwik Lock™ Wet Filter and mechanical float shut-off breaks down foam and protects vacuum motor from debris and moisture damage.

It takes 1/3 the effort to turn this vacuum when using the center wheel configuration!

Warranty*

3 years on parts, labor and motor.
Lifetime on molded body parts.

*See owner's manual for complete warranty details

- Optional front mount squeegee increases productivity and is ideal for fast floor stripper recovery and flood restoration applications.
- Includes 10' secure-lock swivel hose and heavy duty tools for every floorcare or flood recovery application.
- 3 layer fine dust cartridge filter is washable, reusable, and clogs less than standard foam filters and provides exceptional filtration.

Recommended Environments:

- Education
- Healthcare
- Hospitality
- Foodservice
- Retail
- Emergency/Flood Cleanup
- Hard Floor Refinishing
- Manufacturing
