

Lifetime Series Sheet Pan Racks

A Bun Pan Rack that will withstand a lifetime of rough use.

Designed to endure the rigors of around-the-clock usage, these units are ideal for use in the foodservice, hospitality, and healthcare industries, including correctional facilities and educational institutions.

Runners support pans and trays from the bottom, providing equal load distribution for "worry-free" transport. Ribbing on the guides allows pans to slide on and off with ease, minimizing the galling or flaking that can occur with heavy usage.

- The all-welded bases are reinforced at each corner with a heavy caster plate.
- Each plate is threaded to allow the caster to be bolted to the plate, not the framework. (Preserving the structural integrity of the rack and making caster replacement easier.)

- Ergonomic uprights feature a user-friendly radius that is easy to grip.
- Guides are welded both horizontally and vertically, totaling five inches of welds per angle.
- Extra gussets are used where crossbars meet uprights; An additional vertical weld adds another layer of strength compared to our Heavy Duty models.

- Lifetime Guarantee against material defects and workmanship.
- Lifetime Guarantee against rust and corrosion.
- NSF Certified.

4331

- Guides are welded both horizontally and vertically, totaling five inches of welds per angle.

- Casters are bolted to the plate, not the framework.
- Heavy Duty, 6" x 2" casters allow for maximum mobility.

All LIFETIME SERIES products carry a LIFETIME Guarantee against rust and corrosion as well as a LIFETIME Guarantee against material defects and workmanship.

Lifetime Series Sheet Pan Racks

Constructed of Primary Grade Aluminum 6063-T5 Alloy extruded on site.

- Uprights are constructed of ergonomic, D-shaped tubing that measures 1½" x 1¾" x .070" thick.
- Guides are 1¼" x 2" x .100" angle.
- Base is 1½" x 1½" x .070" tubing, reinforced at each corner with thick, threaded plates.
- Casters are bolted to the plates, not the framework, no holes are drilled or punched to install casters.
- Equipped with heavy-duty casters, 6" x 2" polyolefin wheels with a polyurethane tread that provides additional control and a smoother, quieter ride during transport, Full swivel ball bearing mechanics are sealed to prevent dirt and debris from contaminating bearings.
- Optional K-Urethane casters boast exceptional tensile and tear strength, including abrasion resistance. Though tough, the solid wheels are soft enough to produce less noise than other casters without sacrificing durability.
- Lifetime Guarantee against material defects and workmanship.
- Lifetime Guarantee against rust and corrosion.
- NSF Certified.

★ Sheet Pan Rack

Model No.	Size W-H-D	Pan Capacity	Angle Spacing	Ship Lbs.
4330	21½" x 73" x 26"	30	2"	86
4331	21½" x 73" x 26"	20	3"	83
4332	21½" x 73" x 26"	15	4"	75
4333	21½" x 73" x 26"	12	5"	66

Four 6" x 2" plate type swivel casters (#CS10).

Designed to accommodate 13" x 18", 14" x 18" and 18" x 26" pans.

Options:

- ☐ **Caster Locks (2)** - Add "CL" suffix to model #.
- ☐ **Corner Bumpers (4)** - Add "B" suffix to model #.
- ☐ **Solid Base** - Add "E" suffix to model #.
- ☐ **Prison Package** (tamper resistant screws) - Add "PP" suffix to model #.
- ☐ **Pan Stop** - Add "PS" suffix to model #.
- ☐ **Caster Upgrade** - Add "KU" suffix to model #.
(four 6" plate type K-Urethane swivel casters)
- ☐ **Caster Upgrade with Locks (2)** - Add "KUCL" suffix to model #.

All sheet pan racks quoted hold USA standardized 18 x 26" sheet pans (17⅞ x 25⅞" actual). We are not responsible for pans that do not meet the industry standard, which may not fit our racks.

All LIFETIME SERIES products carry a LIFETIME Guarantee against rust and corrosion as well as a LIFETIME Guarantee against material defects and workmanship.
