Notes & Details

Easily transport a wide variety of bulky products, small items, and everything in between with this Regency stainless steel three shelf utility cart! The rugged, spacious shelves are made of 18 gauge type 304 stainless steel that will not only support heavy product without fear of buckling, but are also extremely simple to clean. The shelves can be easily adjusted to meet the unique needs of your operation, and the solid design allows them to accommodate smaller items that may slip through the cracks of comparable carts with wire shelves.

Whether you're moving fresh product from receiving to storage, clean dishes and flatware to set tables for catered events, or bus tubs full of dirty dishes to the warewashing area for cleaning, this utility cart is sure to get the job done! Two sturdy chrome handles combine with (4) 5" polyurethane swivel stem casters to make maneuvering this cart a breeze. When the cart isn't in use, each of the casters come with brakes to hold the unit securely in place. It ships knocked down for savings on shipping and is incredibly simple to assemble.
