Notes & Details

This Regency 6" caster comes equipped with a reliable brake and is a direct replacement for the caster that comes standard on many Regency dunnage racks. Casters like this one make it easy to move your equipment from place to place so it's important to replace a broken one immediately.

This caster has a swivel design that makes it easy to move, and it installs on compatible dunnage racks. Featuring a durable polypropylene wheel center and polyurethane tread, this caster is designed for long-lasting use in any kitchen!
