Notes & Details

This Regency 18" x 30" four shelf enclosed utility cart makes it easy to transport everything from bus tubs to heavy cases of beverages, to dishes, with ease. Its 18-gauge, type 304 stainless steel construction gives this cart excellent durability and a sleek, professional look, making it equally suited for tough janitorial tasks, or working a catered event. And since it's enclosed on 3 sides, you don't have to worry about items falling out as you move the cart from place to place.

It features (4) 18" x 30" shelves, with 9" between each. Each shelf can hold up to 340 lb., providing the toughness needed to tackle almost any use. To make it mobile, it comes with a set of (2) 4" fixed casters, and (2) 4" swivel casters, which lock if you need to make the cart stationary.
