Notes & Details

If you're looking for a durable side load bun pan rack at an outstanding price, this Regency rack is the perfect solution for any foodservice application. This unassembled side load bun pan rack has a curved top design and durable sides made of aluminum, with six cross supports for added stability. It can hold 20 full size pans with 3" spacing. This side load pan rack's 5" polyurethane non-marking casters enable a quiet, smooth ride. This premium bun pan rack offers the strength and durability of a welded unit, but at an outstanding price!
