Notes & Details

This unassembled Regency 20 pan end load full height bun / sheet pan rack with cover and 12 pans provides you with everything you need to effectively hold and transport baked goods within your facility! Once fully assembled, the durable, aluminum rack can hold up to 20 full or 40 half size sheet pans with 3" of space between each pan, providing enough room and support for your signature cookies, sheet cakes, pastries, or broiled foods. Not only does it feature (4) 5" hard plastic casters for smooth, easy transportation throughout your kitchen, it also has 2 locking mechanisms to secure it in place. Plus, the rack is listed with NSF for sanitation and has an ample 350 lb. capacity, making it ideal for busy kitchens preparing multiple recipes at once.

Made of 19-gauge aluminum, the 12 included full size pans have smooth, natural finishes that are easy to hand wash. While their wire-reinforced beaded rims add extra strength to ensure they keep their shape after repeated use, their stackable design allows you to maximize your storage space. This kit also comes with a clear, plastic rack cover that will protect your baked goods from unwanted dirt, dust, and debris. It has 3 side zippers for quick product access and will help to keep your all of your items fresh. Ensure your bakery, restaurant, or catering kitchen clean and organized with this convenient Regency kit!

Kit Includes:

- 1 end load full height rack with (4) 5" casters
- 1 plastic cover with a 7.9 mil thickness
- 12 full size bun / sheet pans
