## Notes & Details

Maximize your storage space with this Regency 18" x 36" x 70" NSF black epoxy mobile take-out shelving station with 5 shelves and PVC shelf mat overlay. This unit is perfect for use in your retail store, restaurant, warehouse, or hospital, and is ideal for equipping your take-out and online order stations with eye-catching signage and label holders. Its epoxy coating offers corrosion resistance for long-lasting durability, while also making it suitable for humid or moist environments such as walk-in coolers and warewashing areas. The PVC shelf mat overlay creates a smooth, solid surface that keeps your shelves sanitary and safe. A great way to add a convenient storage solution to a wide variety of operations, this shelving kit offers the reliable performance you need and demand!

Each of this unit's (5) 18" x 36" shelves can hold up to 600 lb. of evenly-distributed weight. This strength and durability make it the perfect place for storing bulk ingredients and heavy supplies. Plus, the high weight capacity helps the shelf accommodate business growth as storage needs evolve and product inventory expands. The shelves can be adjusted to accommodate products or equipment of varying shapes and sizes with the help of this unit's (2) 64" mobile posts and (2) 54" mobile posts. Thanks to the included (4) 5" casters with brakes, this unit can be effortlessly transported. The open design of this unit coupled with the ability to move shelves to different heights facilitates ventilation and maximizes air flow between and around products.
