Notes & Details

As part of the Regency Space Solutions wire shelving collection, this 14" deep wall mounting bracket is designed to adjoin two Regency Space Solutions black epoxy wire shelves for wall mounting. They feature a 1/4" diameter epoxy coated steel wire for maximum durability and strength. Ideal for use in humid or damp environments, this black epoxy shelf bracket is specifically constructed to work with any length of 14" deep Regency Space Solutions wire wall shelving.

Concrete installation mounting hardware included.
