Notes & Details

Give guests a convenient place to store coats and accessories with this Regency 24" x 72" x 74" NSF chrome single garment rack kit. Whether you run an event venue, a hotel, or a community theater, this garment rack is a great choice for hanging coats and other items for convenient storage. Guests can hang their coats when they arrive at your event and retrieve them at the end of the night. This unit is also a perfect addition to locker rooms, breakrooms, and waiting rooms.

This kit features (2) 24" hanger rails and (1) 48" chrome garment tube that offers plenty of space for jackets, coats, uniforms, and other hanging garments. Thanks to the included brackets, this garment tube easily attaches below the (1) 24" x 48" chrome wire shelf included in this kit. This garment rack also includes (4) 24" x 24" chrome wire shelves which provide ample room for handbags, hats, packages, and other personal items.

Assembly is made quick and easy by utilizing the included split sleeves per shelf and the (6) 74" chrome posts included in this kit. Simply snap the two sides of the sleeve together at one of the incrementally spaced notches and slide the corner ring of the shelf over the sleeve. If you later wish to re-configure the shelves, it's as easy as removing the sleeves and re-positioning them as you see fit.

Kit Includes:

- (1) 24" x 48" Regency NSF chrome wire shelf
- (1) 48" Regency NSF chrome garment tube with brackets
- (2) 24" Hanger Rails
- (4) 24" x 24" Regency NSF chrome wire shelves
- (6) 74" Regency NSF chrome post
