Notes & Details

Keep your storage area organized with the Regency 36" x 48" x 96" NSF chrome stationary wire shelving starter kit with 6 shelves! This kit includes (6) 36" x 48" wire shelves, (4) 96" stationary posts, and (24) pairs of split sleeves. This versatile unit allows you to create a convenient storage solution for your janitorial closet or warehouse. Made of sleek, durable chrome, this unit is ideal for use in your business's merchandising and display spaces or in back-of-house dry storage areas. The shelving kit's high-quality, commercial grade design is built for maximum longevity, ensuring a lasting, multi-purpose investment that's sure to accommodate your ever-evolving needs.

Each shelf features a wire construction, which allows for proper air flow around the stored supplies, products, or ingredients. They're adjustable, too; since the posts are marked in intervals and use a split sleeve system of assembly, the shelves are easy to move higher or lower along the posts. This is especially great for expanding businesses that may not have finalized their product offerings.

There are 24 pairs of split sleeves provided for this unit, and each shelf accommodates up to 600 lb. of weight. Likewise, a foot is provided for each post and must be used for proper installation. Mix and match with Regency accessories (sold separately) to personalize your kit! The shelving unit requires assembly.
