Notes & Details

Keep your storage area organized with this Regency 18" x 36" NSF black epoxy 5-shelf kit. This kit includes (5) 18" x 36" wire shelves and (4) 86" posts, which allows you to create a convenient storage solution for your restaurant, hotel, bar, warehouse, or garage. For maximum versatility, the durable zinc plated metal with a black epoxy coating allows for use in either dry or moist environments, making the unit a multipurpose investment that's sure to accommodate your ever-evolving needs. Plus, the unit's high-quality design is commercial grade and delivers the reliable performance every business expects and needs.

This kit boasts an attractive wire construction that works well in front-of-house merchandising as well as display spaces in your boutique, market, or other business venue. It also allows for proper air flow around stored supplies, products, or ingredients. Plus, since the posts are marked in regularly-spaced intervals and use a split sleeve system of assembly, the shelves are easy to move higher or lower depending on your organizational needs. 20 pairs of split sleeves are provided, and each shelf can accommodate an impressive 600 lb. of evenly distributed weight. Likewise, a foot is provided for each post and must be used for proper installation. The shelving unit requires assembly.
