Warehouse

Notes & Details

This Regency black epoxy wire shelf divider is the ultimate addition to enhance your storage unit! Featuring a durable, black epoxy wire construction, this shelf divider provides long-lasting use. The epoxy coating is suitable for use in all environments, including moist and humid conditions, making it perfect for refrigerators, freezers, and ware washing areas.

This divider is 8" high, making it great for separating a variety of items. It is compatible with 21" black epoxy shelving (sold separately). Use this divider to easily separate cleaning supplies, boxes, or other loose items!
