Notes & Details

Keep your storage area organized with this Regency 24" x 72" NSF black epoxy 1-shelf kit with 14" posts. This kit includes a 24" x 72" wire shelf and (4) 14" posts, which allows you to create a convenient storage solution for your restaurant, hotel, bar, warehouse, or garage. For maximum versatility, the durable zinc plated metal with a black epoxy coating allows for use in either dry or moist environments, making the unit a multipurpose investment that's sure to accommodate your ever-evolving needs. Plus, the unit's high-quality design is commercial grade and delivers the reliable performance every business expects and needs.

This shelf features a wire construction, which allows for proper air flow around the stored supplies, products, or ingredients. In addition, the posts are marked in intervals to easily adjust their height. The split sleeve system of assembly makes the shelf easy to move higher or lower along the posts. 4 pairs of split sleeves are provided for the shelf, which can accommodate up to 450 lb. of weight. Likewise, a foot is provided for each post and must be used for proper installation. The shelving unit requires assembly.
