Certifications

## Notes & Details

As part of the Regency Space Solutions collection of black epoxy coated wire shelving, you can count on this 6 1/4" swing hook to work with your shelving to provide extra storage space in your humid storage areas. Use this Regency black epoxy swing hook in your non-air conditioned storage rooms, garage storage areas, or even in your retail space to add practical and professional-looking storage. This swing hook hanger has a weight capacity of up to 60 lb. so that you can store plenty of textiles, large pots and pans, and much more! Simply attach this hook to your shelf post using the Regency split sleeve clips (sold separately) for added storage and organization. This hanger works with Regency shelving posts as well as posts from Metro and other brands.
