Certifications

Notes & Details

Make moving your shelving units easier than ever thanks to this Regency 21" green epoxy U-shaped handle! When combined with casters (sold separately), this handle gives you the ability to create a convenient mobile unit. Easy to attach, this handle extends 5 3/4" out from the unit and provides 4 3/4" of grabbing space.

This handle is made of a durable metal with a green epoxy coating and is suitable for use in wet or dry environments. Split sleeves are included. It is compatible with Regency posts and 21" shelves (both sold separately).
