Notes & Details

Add versatility to your shelving system with this Regency 24" green epoxy utility cart handle! When paired with a compatible shelf and casters (both sold separately), this handle creates a convenient cart that's great for moving items around your establishment. Standing 31" tall, the 24" x 7 1/2" handle is easy to grab for maximum ease of use.

This handle is made of a durable metal with a green epoxy coating and is suitable for use in wet or dry environments. It is compatible with Regency posts and 24" shelves (both sold separately). Easily transform your shelving unit into a utility cart with this handle!
