- Works with Regency and Metro green epoxy wire shelving

Certifications

Notes & Details

As part of the Regency Space Solutions collection of green epoxy coated wire shelving, you can count on this 6 1/4" swing hook to work with your shelving to provide extra storage space in your damp storage areas. The perfect solution to storage in dish rooms, refrigeration units, and prep areas where traditional chrome shelving will rust and flake, this Regency green epoxy swing hook is resistant to moisture. This swing hook hanger has a weight capacity of up to 60 lb. so that you can store plenty of textiles, large pots and pans, and much more! Simply attach this hook to your shelf post using the Regency split sleeve clips (sold separately) for added storage and organization. This hanger works with Regency shelving posts as well as posts from Metro and other brands.
