Notes & Details

As part of the Regency Space Solutions wire shelving collection, this pair of 18" deep wall mounting brackets are designed to hold one Regency Space Solutions green epoxy wire shelf. It features a 1/4" diameter steel wire for maximum durability and a green epoxy coating designed to withstand damp conditions without deteriorating. Each bracket is specifically constructed to work with any length of 18" deep Regency Space Solutions green epoxy wire shelving.

Concrete installation mounting hardware included.
