NSF Listed

Notes & Details

This Regency stainless steel wire shelf divider allows you to quickly and easily organize the contents of your shelving unit. Constructed from durable stainless steel, this divider is designed to keep your items securely in place without slipping or tipping. Its 8" height provides ample separation, making it ideal for organizing cleaning supplies, boxes, or other loose items on your shelves.

Compatible with 18" deep Regency stainless steel wire shelving (sold separately), this divider offers a perfect fit for a streamlined setup. Its sturdy design ensures long-lasting durability even in busy, high-traffic environments. Plus, the divider's stainless steel finish blends seamlessly with wire shelving for a polished, professional look.
