Notes & Details

Make efficient use of your wine storage area with this Regency 26 1/2" x 26 1/2" chromate wire wine rack module! Designed to hold up to (45) 750 mL bottles, this wine storage module may be used as a free-standing unit or paired with your existing wire shelving. It ships completely assembled so that you can start organizing your wine bottles right away. Plus, clear plastic ties are included so that you can quickly and easily secure this module to your shelving.

This wire wine rack module is a great choice for restaurants, cafes, and shops that offer a wide selection of wines! When bottles are placed in this rack, each label is clearly visible so that your customers or staff can quickly select the bottles they are looking for. With its chromate finish, this wire wine rack will fit in nicely with your modern front of the house decor or back of the house storage area.
