Notes & Details

Maximize your workspace with the Regency 12" x 36" aluminum folding concession shelf! Crafted from durable aluminum with a stainless steel tube frame, this shelf is built to withstand the demands of a busy concession stand or food truck. The solid shelf design offers extra work space for food prep, making it an essential addition to any concession window or general shelving application.

When not in use, simply fold the shelf down to save space and keep your area organized. This feature is especially convenient for food trucks or concession stands where space is limited. Mounting hardware is sold separately, ensuring a secure installation. Enhance efficiency and functionality in your establishment with this versatile folding concession shelf!
