Notes & Details

Keep your storage area in optimal order with the help of this Regency Space Solutions underbar for wall mount lockers. In the event that the original pole on your 45" x 18" locker was damaged, misplaced, or otherwise compromised, this item serves as a direct replacement part. It easily attaches to the sides of the locker with a bracket hardware set (sold separately). Plus, it's strong enough to support hangers laden with coats, vests, and other apparel!

This item features a sturdy metal construction that's built to last. No matter what damage befell your original pole, this product will guarantee that your wall mount locker is functional, stable, and safe in no time! Plus, by investing in this convenient part now, you can rest assured knowing that you'll be fully prepared for whatever mishaps you might experience down the line.
