Notes & Details

Keep the back-of-house operating smoothly with this Regency 10 pan aluminum steam table pan rack. Holding up to 10 full size steam table pans in 3" intervals, the rack is perfect for a variety of businesses, from hotels and conference centers to cafeterias and diners.

Built with 18 gauge aluminum, the rack features a sturdy, tubular design with 1" x 1" tubing. The angle slides are made with 16 gauge aluminum for added strength, supporting even fully loaded pans. For easy transport throughout your facility, this rack features a set of 5" polyurethane casters, 2 of which include brakes. The brakes help to stabilize the rack while you load or unload product. For your convenience, it's easy to assemble.
