Notes & Details

To keep food, dishes, or other small items from cluttering your work area, add extra storage above your work table or countertop with this Regency solid wall shelf. Simply attach the shelf to your wall, and you can keep your most used ingredients, supplies, and hand tools within reach without using up all of your valuable counter space. Plus, this model includes a backsplash to keep your walls and floors protected from accidental spills and has rolled edges in order to keep your staff members safe.

Thanks to its durable 18 gauge type 430 stainless steel construction, this shelf can stand up to use as a convenient storage option in your busy establishment. This stainless steel shelf is easy to clean and resists corrosion to keep your facility clean and sanitary. It comes with two support brackets, so you can rest assured that it will remain in place. This design gives you a 210 lb. weight capacity to hold all your spices, small kitchen appliances, cleaning supplies, or ingredients. These brackets attach easily to the walls using the appropriate installation hardware (sold separately).
