Notes & Details

Keep your storage area organized with this Regency Spec Line NSF solid stainless steel mobile shelving starter kit. This kit includes (4) 64" mobile posts, (4) 5" casters with brakes, (4) 24" x 54" shelves, and (16) pairs of split sleeves. This versatile unit allows you to create a convenient storage solution for your janitorial closet, warehouse, or walk-in cooler. The 18 gauge stainless steel finish resists corrosion to ensure long-lasting use, and it is suitable for both wet and dry environments, making the unit a multi-purpose investment that's sure to accommodate your ever-evolving needs. Plus, the unit's high-quality design is commercial grade and delivers the reliable performance every business expects and needs.

Unlike wire shelving where small components may slip through the cracks or leaking packages may contaminate products on lower shelves, these solid shelves allow you to confidently store products of any type and size, and each shelf accommodates up to 500 lb. of evenly distributed weight. For your convenience, the shelves are also adjustable and can be moved higher or lower along the posts. Plus, the included 5" casters allow for quick access and easy cleaning, and the casters are equipped with brakes to secure the unit in place when needed. This unit requires assembly.
