Notes & Details

This Regency Spec Line 30" x 30" stainless steel commercial open base work table is a versatile addition to your kitchen. Constructed from durable, easy-to-clean 14-gauge, 304-series stainless steel, this work table offers superior corrosion resistance and durability compared to other work tables made of 430-series stainless steel. Due to its stainless steel construction, it's built to withstand the daily tasks in your restaurant, cafe, or bakery. Great for rolling out dough or chopping fruits and vegetables, you can provide your staff with additional work space to complete tasks efficiently.

With a working height of 34", you can create a comfortable work station for your employees. For increased stability, this work table includes 1 1/4" diameter stainless steel cross bracing and (4) 1 5/8" diameter 18 gauge stainless steel legs. Adjustable, stainless steel bullet feet allow you set up your table to best fit your needs, while its open base makes it easy to store large ingredient bins or add custom shelving underneath.
